Principal's Message

PARKDALE IS A GREAT SCHOOL!
After nine full years at Parkdale, the usual time spent here by our regular students, I can say without hesitation that this school really is "Second to None". We can, and should be justifiably proud of Parkdale, but how many of us actually know why?

Is it because Parkdale has contributed notably to the community, the city, the nation for seventy years? Is it because many Parkdale graduates have gained fame in the fields of business, science, law, medicine, sports, politics? Is it because Parkdale students have earned awards of excellence in academic, artistic and athletic endeavours?

Truly, all these achievements are real and to those who feel that greatness is measured in recognition, our school qualifies admirably. But is that the greatness that counts? I say, "No". The most respected teacher of all time once said "He that would be greatest among you, let him be your servant." Greatness is not measured in accolades; it is measured in service.

Parkdale's greatness is found in the timid little Grade Two girl who found in school a sense of accomplishment and of self-worth. She slowly overcame her fears and is now the mother of four happy, well-adjusted children who are contributing their part to the school. It is also found in the insightful concern of a teacher who recognized a little boy's need and made him feel welcome in school.

True greatness is not in standing out from the crowd, but is in being part of the group and making those around you feel they belong. Parkdale people belong! They know they have a place in society. They know they are accepted. PARKDALE IS A GREAT SCHOOL.

"SPECIAL IS THE GIFT WHICH IS FORMED BY THE HANDS AND SCULPT FROM THE HEART"

During the past few years we have been blessed by a special gift of strength. She is not just the one who stays until late hours of the night to prepare a fine meal. She is not just the one who skillfully directs us through seemingly chaotic preparations. She is the one who with a well placed word, touch or smile has encouraged us all to grow a little further. So great is her example and so much richer we all are to have had her touch become a part of us.

The greatest teacher is love and the strength that it gives. To one of our finest teachers, from the students and staff of parkdale, we dedicate this yearbook to you! Mrs. Paliwoda.

President's Message

As my last address to my fellow students, teachers, and all concerned.

I would like to thank you all for helping to make this year successful. It has been my pleasure working with the students council and being President of Parkdale School.

I wish my fellow graduates and the rest of the student body all the best of luck in the following years to come.

Thank you
Darlene Ford

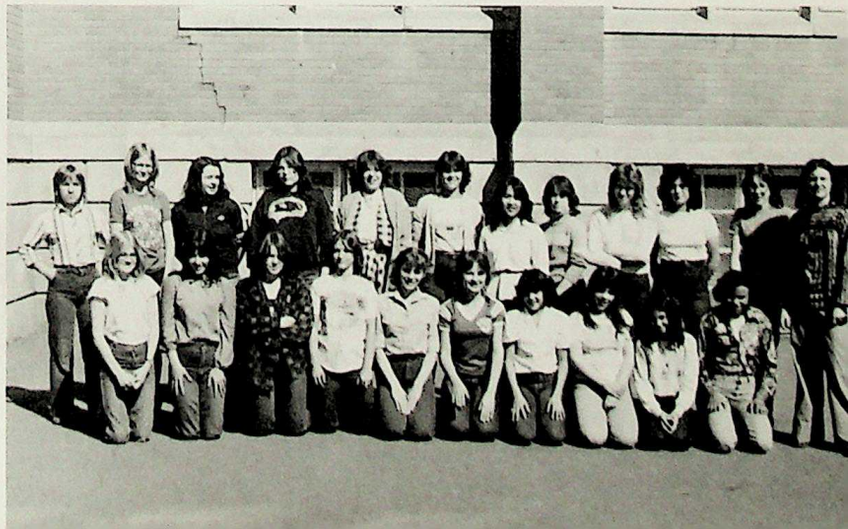
What a great bunch, too numerous to name.

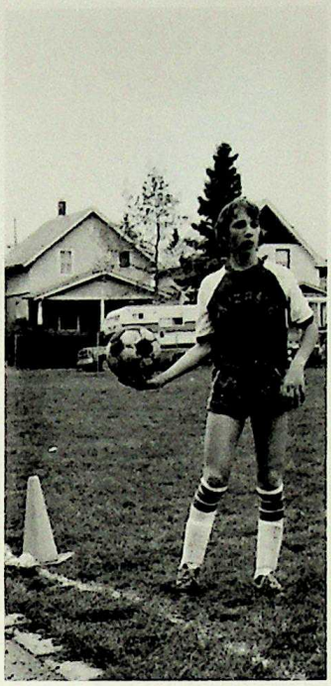
BOY'S AND GIRL'S TRACK TEAMS

Many students showed up for practice. Hard work, fun and refreshments.

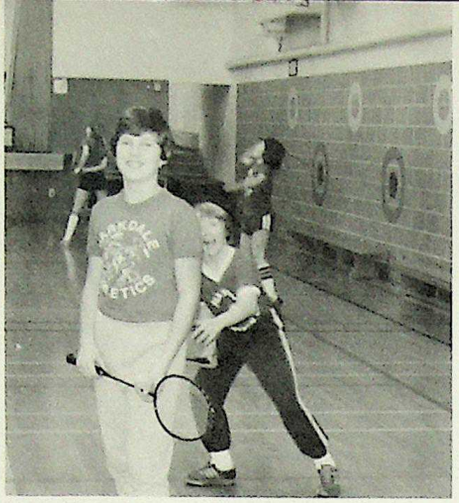
Enjoyed By All.



Boys' Soccer

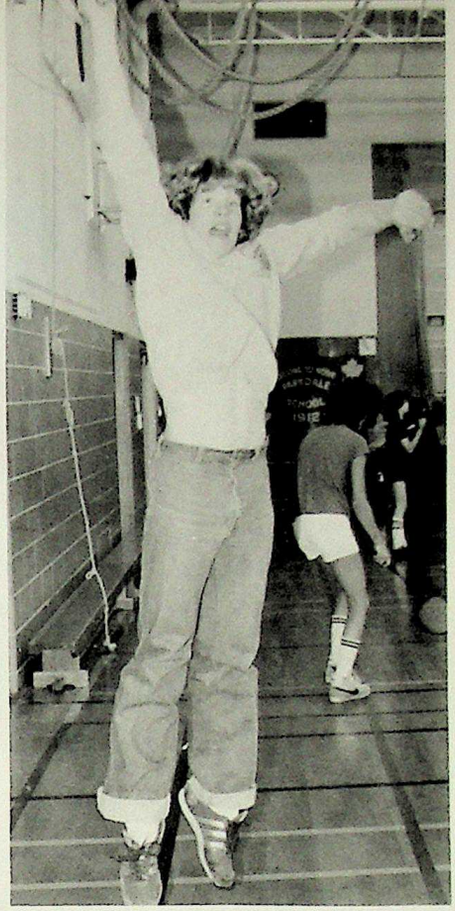


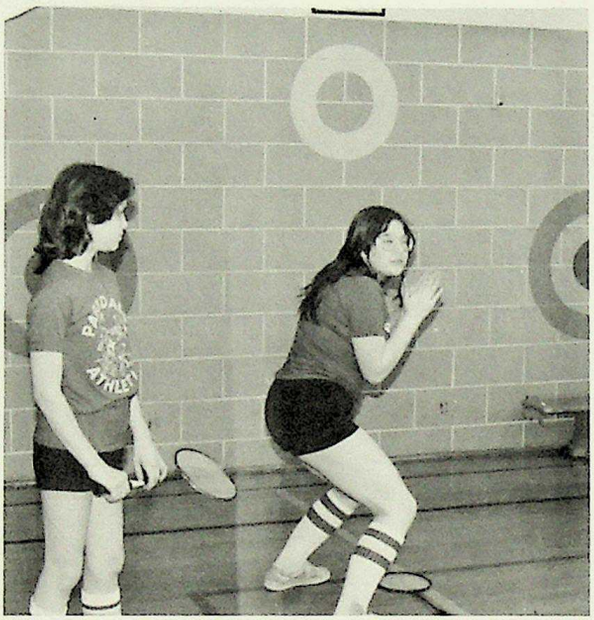
This year the boy's played very well, they came in 3rd place in the city finals. Thanks to Mr. Plowman's good coaching, the team achieved this goal.

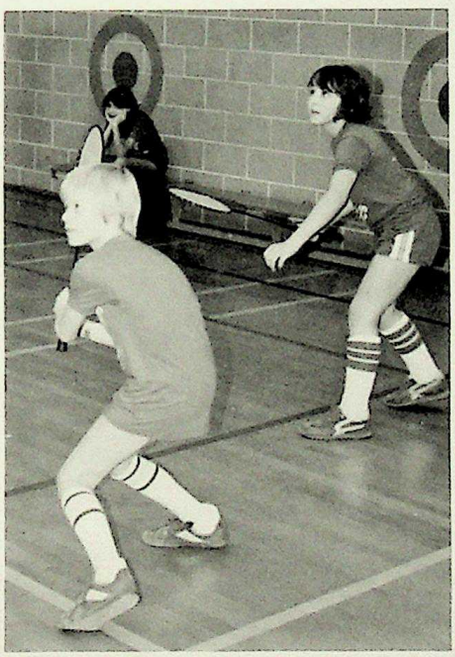


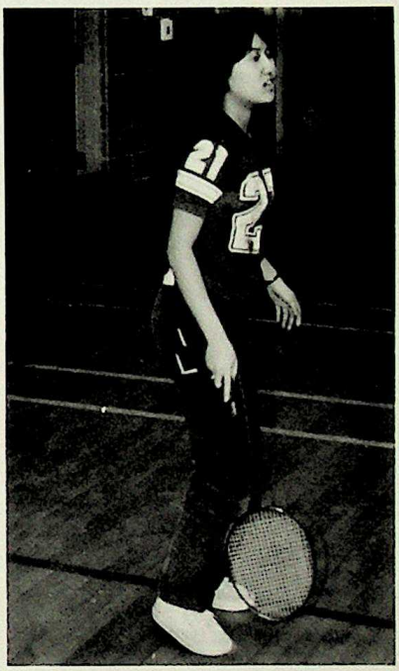
Badminton

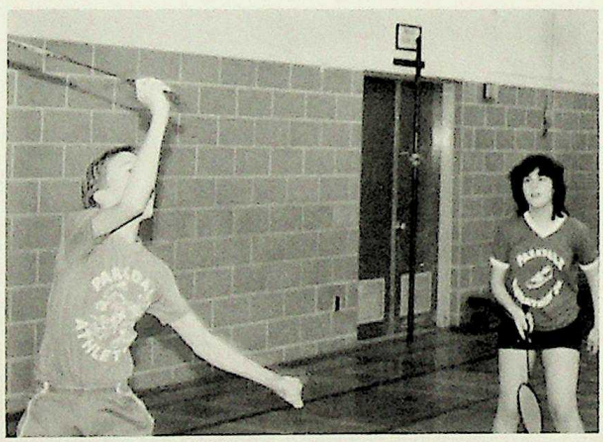
What we should have named this organization was a Goodminton Club, because a good time was had by all 18 members. Games were played each Friday after school; singles, doubles, and mixed doubles. Refreshments were served during the latter club meetings and were a huge success. Thanks for a super year "Birdi-brains!"

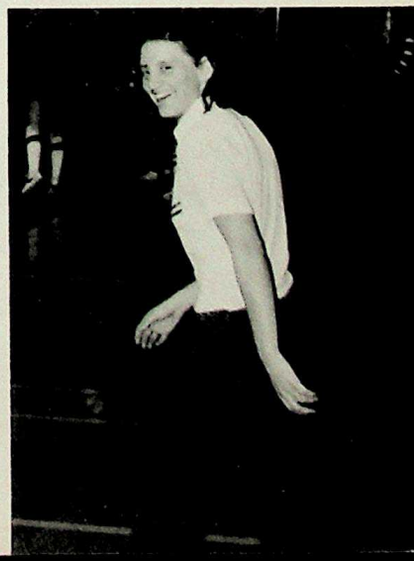


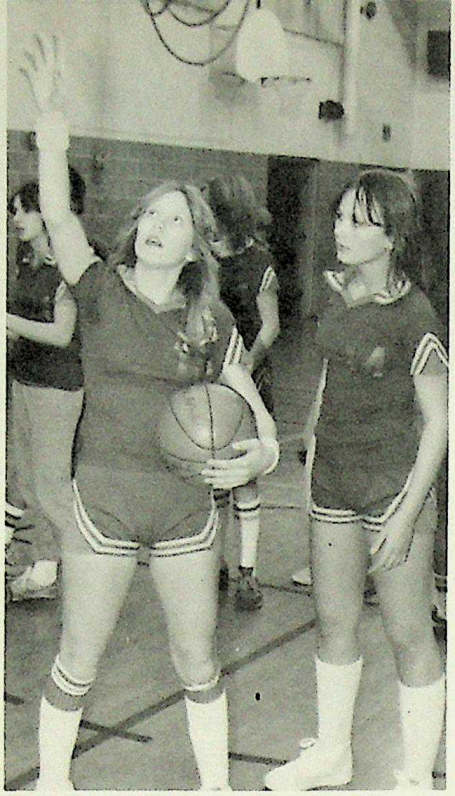












Girls' Basketball

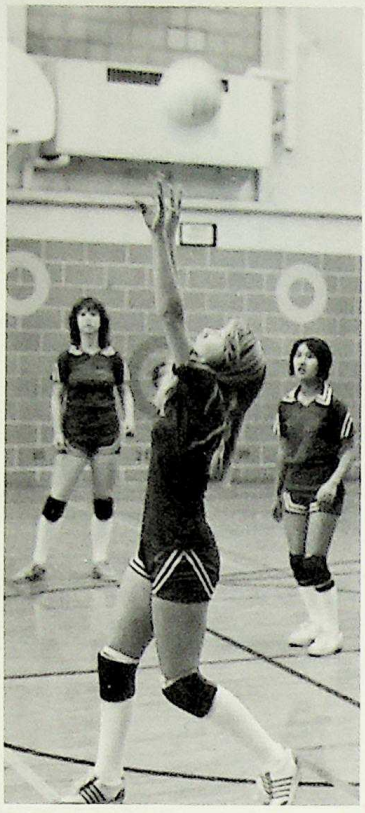
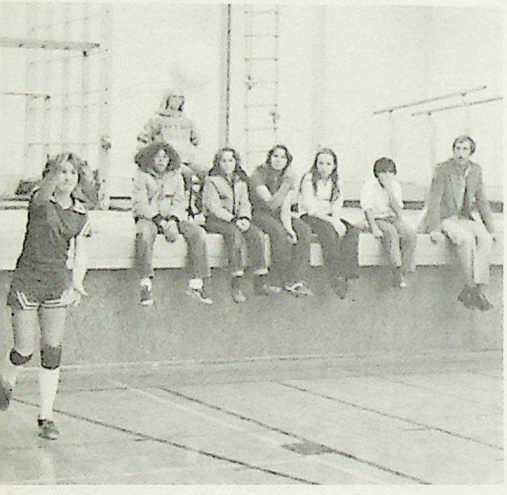
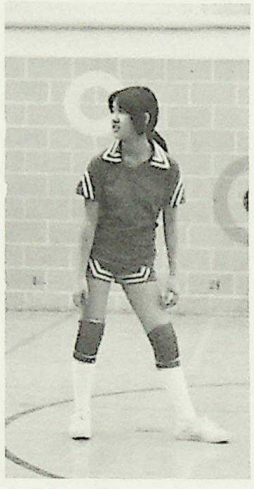
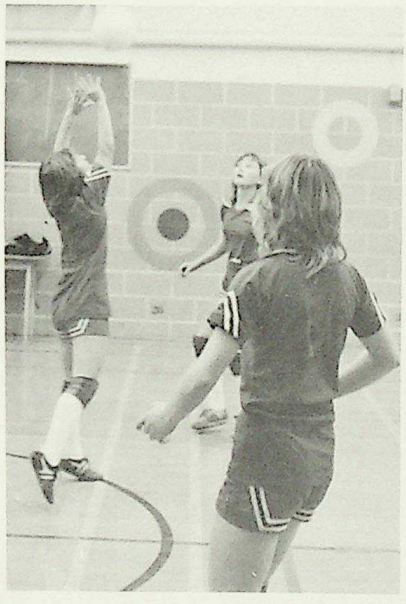
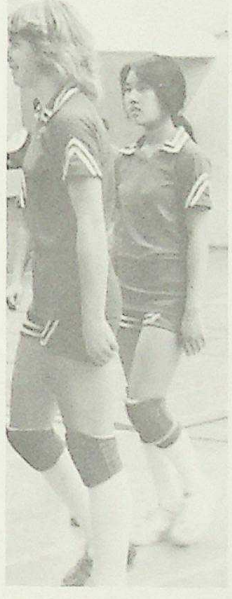
splendid company.

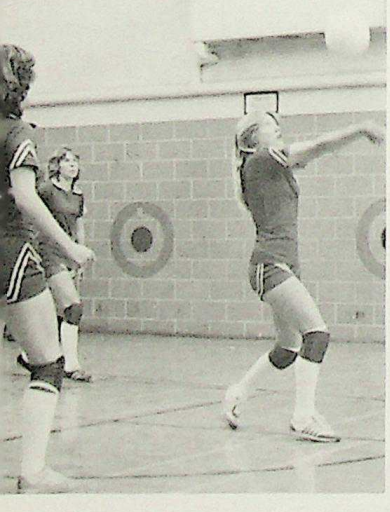


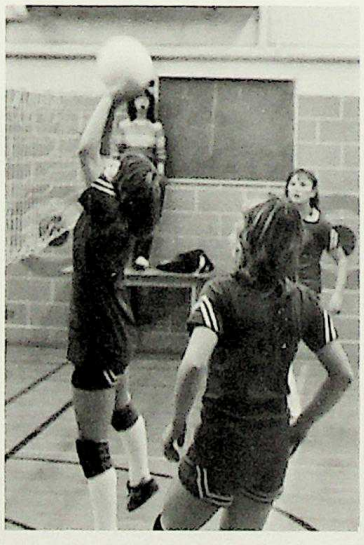












LEADERSHIP CAMP

The students who went on this camp had 2½ days of fun, excitement and lots of fresh air. They made their own tents, fires and tools. Now they know what rough living is like!
